

## “GO TEAM!”

### 1 CORINTHIANS 12:12-26

*The Corinthian believers were struggling mightily as a church. Much independence and divisiveness had entered their doors and was threatening to destroy it. To their situation and countless other local churches, the Apostle Paul writes great insight.*

#### GOD’S PLAN FOR THE CHURCH (BODY)

① Diversity

② Unity

③ Effectiveness

## CONCLUSION

This does not mean we will all have the same preference or all have the same ideas or opinions. That would be unhealthy and rather restrictive for effective ministry.

Many members with many diversities joining together in unity as the body of Christ! That, my friend, is a work of divine art. However, anyone of us can misinterpret and misapply the intentions of someone in another group, let alone of someone in my same group. Here are some take-home points to ponder:

- ① \_\_\_\_\_ is not necessarily wrong.
- ② Be alert to the “\_\_\_\_\_” dilemma.
- ③ \_\_\_\_\_ and even \_\_\_\_\_ such biblical diversity.
- ④ Refrain from \_\_\_\_\_.
- ⑤ \_\_\_\_\_ and \_\_\_\_\_ your view.

Let’s do it! We’re a team! We are the body of Christ!
