

## “I JUST DON’T SEE IT!”

### JOHN 8:21-29

There exists one significant arena of life that most people tragically don’t grasp. Why is it so difficult to get through to an unbeliever? How is it they seem blind to and seemingly unconcerned of their precarious condition?

#### THE DARKNESS OF THE UNBELIEVER

① De \_\_\_\_\_ (8:21)

② De \_\_\_\_\_ (8:22)

Their \_\_\_\_\_ reaches the highest level in this offensive proposal. They have no desire to coddle Him but instead, to condemn Him.

③ Deep- \_\_\_\_\_ (8:23)

They were entrenched in the philosophies and practices and methodologies and systems of this world.

④ De \_\_\_\_\_ (8:24)

Refusing to believe is the “\_\_\_\_\_ sin.”

It’s no wonder that John draws great attention to this action. Of the over \_\_\_ times the word “believe” occurs in the New Testament, nearly \_\_\_ of these are in the Gospel of John!

⑤ De \_\_\_\_\_ (8:25-26)

Despite His repeated claims as to who He is, they counter with a demand that erupts in cursing.

“From the beginning” points to the \_\_\_\_\_.  
These Rabbis should have known!

⑥ De \_\_\_\_\_ (8:27)

They walk by \_\_\_\_\_ and root themselves in their own observations.

⑦ De \_\_\_\_\_ (8:28)

#### CONCLUSION

Why does the unbelieving one continue to deny the Savior, even when he admits that what you share makes sense and his life is missing something – or Someone? John 8 reveals the great darkness of the unbeliever that hinders such comprehension. And yet despite the resistance and refusal and rejection, the Savior never strayed from His mission.
