CONCLUSION

Every believer must position himself as a participator, not a spectator. As you engage in your service to the Lord through the local church, do not depend upon your own strength or understanding. He alone is God and He is always more than enough. All you need can be found in Him!

Make your life count for Jesus Christ. It is much better to _____ out than to _____ out. You’ve been bought with a price and you’ve been equipped for duty, so go forth and make an impact. Only one life; live it fully.
