

## “THE SON THAT RISES”

### JOHN 5:24-30

*As amazing and impressive the presence and power of the sun, it pales in comparison to the presence and power of the Son. And as much as we need the sun for life on this earth, we desperately need the Son for life into eternity.*

### THE POWER OF THE SON

#### ① To R \_\_\_\_\_ (5:24-25)

The Bible invites us to open our eyes and see the brutal, dismal picture of our \_\_\_\_\_ before a holy God. Warning: Viewer discretion is advised in light of such harsh reality (Isaiah 64:6; Genesis 6:5; Romans 3:11,12,23; Ephesians 2:1,2,3,12; Jeremiah 17:9).

Can you see why so \_\_\_\_\_ a rescue was necessary by so \_\_\_\_\_ a Savior?

What must we do to move from death to life?

- 1) *hears My Word* → re \_\_\_\_\_ the Word
- 2) *believes in God* → re \_\_\_\_\_ to the Word

Inviting a lost world to the Rescuer Himself may sound strong and exclusive, but it is the only way to life!

#### ② To R \_\_\_\_\_ (5:26-27)

The Giver of life has the \_\_\_\_\_ to be the Judge of life. The Initiator of life has the \_\_\_\_\_ to be the Executor of life!

The Son of Man was a son of man. The judge of men came and took upon himself the \_\_\_\_\_ of man – literally. God became a man and thus He could fully judge man.

#### ③ To R \_\_\_\_\_ (5:28-29)

He will lift up every single solitary corpse. Though lifeless, they will hear the One who gives life, who resurrects from the dead.

Great is the contrast between these two resurrected camps:

- 1) The w \_\_\_\_\_ are different
- 2) The w \_\_\_\_\_ are different
- 3) The w \_\_\_\_\_ are different

They will journey to eternal partnership with the Lord or eternal departure from the Lord.

### CONCLUSION

Christian, take joy in your standing before God. But Christian, take heart in your posture before man. As you enter your mission field, remember the attitude of your marching orders. Follow the steps of the Savior.
